## Meade Avenue in honor of Mayor Michael Dedio

Howard Appelt, Freeholders Feyl, Chegwidien, Nordstrom, Mayor Dedio, wife Annette, Freeholder Cabana, Police Chief Soules.

Meade Avenue was named commemoratively in honor of our former mayor. At each end of the avenue is placed a street sign indicating that the street has been dedicated as **Mayor Michael Dedio Avenue**. Mayor Dedio served the borough for nearly 30 years as a councilman and mayor. This was done as a sign of appreciation for all he did on behalf of the borough.

## Arbor Day is a "Tree-mendous" Honor for Seniors!

The Riverdale Shade Tree Commission led by its chairman, Paul Carelli, and Commissioner Linda Roetman used Arbor Day to honor all of the presidents of the Riverdale Senior Citizens Club on Saturday, April 28. Also on hand to make the presentations was Commissioner Lois Leifer. *Thundercloud Plum* trees were planted in honor of those fourteen who have held the position of president. In front of each tree is the name of the president and the years of office. Many of the honorees were present, as well as their family members. The name plaques were donated by Charles Scanlan of M. John Scanlan Funeral Home.

### Spring Concert on Thursday, May 17 at 7PM in the Pompton Lakes High School Auditorium.

A brand new element has been added this year: *Percussion Ensemble*. Most of the instruments being played by the ensemble fall under the two categories of "World Percussion" and "Hand Percussion". The other elements of the concert are Chorus and Concert Band. The selections offered by the Concert Band are diverse enough for any listener. Music from John Philip Sousa and Aaron Copeland, as well as selections from Leonard Bernstein's *West Side Story* should make for an enjoyable evening. Admission is FREE and refreshments will be available. See you there.

**What's the Scoop?** The law requires pet owners to clean up after their dogs. The bags that the free "newspapers" come in would be an appropriate use for the waste disposal. Please keep Riverdale clean!

### The Nurse's Station

Stacey Dakake, MSN, RN

The weather is warming up and we will be confronted with many health issues. Lyme disease is a tick-borne illness we have to start thinking about. It is a growing concern in New Jersey.

Lyme disease is difficult to diagnose because it can produce different symptoms at different times. Diagnoses can be confirmed with blood tests.

#### Signs and Symptoms:

·Erythema migrans (bull's eye rash) at the site of the bite in 3-30 days.

·Fatigue ·Chills ·Fever ·Headache ·Muscle aches ·Joint Pain ·Swollen lymph nodes ·Loss of muscle tone on one or both sides of the face ·Shooting pains that may interfere with sleep. ·Heart palpitations

#### Preventing Infection:

·When going outside wear clothes that cover the skin and tuck pants into socks.

·Use an insect repellent with 20 percent DEET. ·Check body and clothes for ticks soon after spending time outdoors. ·Wash clothes and be sure to dry them in a dryer. ·Remove ticks by getting tweezers close to the skin and lift straight up without wiggling. ·Save tick to get tested for Lyme disease.

Any questions or concerns please call the Health Department.

- Bees flap their wings 300 times a second.
- Rubber bands last longer when refrigerated.
- Dirty snow melts faster than white snow because it's darker and absorbs more heat.
