Being Prepared for an Emergency

The American Red Cross has 5 Actions for Emergency Preparedness

1. Make a Plan - Planning is the first step to a calmer disaster response. Discuss with your family the plan. Everyone in the household should work together as a team.
2. Build a Kit - Store enough supplies for everyone in your household for at least three days. These include water, food, flashlight, first aid kit, medications, battery-operated radio, tools, clothing, personal items, sanitary supplies, money, contact information, pet supplies, and a map.
3. Get Trained - You can learn simple first aid techniques that can give you the skills and confidence to help others. Knowing CPR can also save a life.
4. Volunteer - There are so many needs and so many ways to serve the community. You may consider joining an organization such as the Riverdale Fire Dept or the Pompton Lakes/ Riverdale First Aid Squad.
5. Give Blood - Blood is definitely needed in times of emergencies, but the ongoing need is great.

Students at Riverdale School were treated to a visit by New Jersey Devil alumnus, Rob Skrlac. Mr. Skrlac addressed the K-8 grade audience, shared with them a video highlighting positive schooling experiences by the team and discussed goal setting and responsibility with the older students. The presentation was followed by a question and answer period. A special thank you to the New Jersey Devils organization for sponsoring the assembly program.

Girls throughout northern New Jersey are currently dreaming of their future and you can help make their dreams come true by purchasing a box of Girl Scout cookies.

Lenni-Lenape Council has dedicated itself to helping girls in Passaic County, Sussex, Bergen, Morris and Warren counties navigate the sometimes rocky, often funny, and at times bewildering world of growing up. With family support and under the supervision of dedicated volunteers and staff, through a variety of carefully-designed activities, the Girl Scout organization cultivates courage, confidence, and character in girls while teaching them critical life skills they will need to succeed as adults.

One of the most respected and well-known Girl Scout activities is the annual Girl Scout Cookie Program, which began January 14. Through this activity, girls learn the importance of personal responsibility, the value of goal setting, the spirit of teamwork and the thrill of accomplishment. As they take orders for America's favorite tasty treats, girls in grades 1 thru 12 learn about business ethics, customer service, marketing, advertising and money management. When delivery time rolls around, they learn the importance of fulfilling commitments.

In Girl Scouting, the girls themselves play a large part in designing their own Girl Scout experience! Therefore, they each have a say in deciding what their troops will do with the money they earn.

For more information on our annual Girl Scout Cookie Program, including how to buy cookies, or how to become a Girl Scout or adult volunteer, contact the Council directly at 973-248-8200 or info@gslc.org.

Riverdale Students lead PLHS to state football championship

On December 4 the Pompton Lakes High School Cardinals defeated Hasbrouck Heights 27 to 7 to win the state championship at Giants Stadium. With strong contributions from Riverdale students Louie Struniewski, Jarred Bush, Victor Compusano and Dan Carrachio, the Cardinals overcame extremely high odds to win their first championship since 1997.

After an 8-1 record and the league championship the team was still looking for respect, which they finally earned. Though the team was winning impressively, it wasn't until the final two games against perennial powerhouses Glen Rock and Hasbrouck Heights, that the respect they deserved was attained. In the championship game Louie Struniewski with his excellent blocking opened up holes for the running backs and provided great pass protection for his quarterback Louie, playing both offense and defense was a huge reason why the Cardinals dominated both sides of the line of scrimmage. Tight end Jarred Bush culminated a great season with his fantastic finger tip touchdown catch to open the scoring and his huge diving grab to set up the second touchdown before the half.

These young men were able to generate an experience to last a lifetime for themselves and the thousands of family and friends who were in attendance at Giants Stadium that cold Saturday morning. Riverdale should be proud of these young men for the excitement they brought to the community and for their commitment to excellence.

Jarred Bush Reflects

I cannot be any more pleased with the way my senior year and career in sports has gone so far. I also think that a large part of my success can be accounted to my town. Placed in a supportive atmosphere, Riverdale helped me mature and strive for success. In our small town I was able to meet important people with whom I worked in athletics for a good part of my life. With a strong youth program, my development was guided in the right direction. This is also true of the others standing next to me.

Working together has been preached to us from the beginning. We worked together resulting in a bond that nobody could break. A culmination of everything that has gone into my youth, including my friends, teachers, coaches and the town has led to this success. All of these players deserve equal respect as they worked just as hard as everyone else to obtain this state title.

First Aid Squad delivers baby on highway ramp!

Truck 27 where are you? On November 1, 2005 at 11:28 pm it was racing towards Chilton Hospital as its squad members were delivering **Justin Bolt**, the newborn son of Jeff and Nancy. Justin weighed in at 7 lbs. 1 oz. The place of birth was the I-287 ramp onto Route 23. He is currently living with his parents and older brother, Jeffrey, on Loy Avenue in Riverdale. Congratulations to the Bolt Family and a grateful round of applause for our First Aid Squad!
