

# Riverdale Food Pantry

## *Residents Helping Residents*

**Volunteers are an integral part of the Pantry**

**SORTING:** Volunteers sort the donated food and non-food items and place the food and non-food items on designated shelves in the Pantry.

*Sorting is done monthly on a Saturday morning and may take up to several hours.*

**BAGGING:** Volunteers are given a form showing a client number and items to bag. (To maintain confidentiality, families are assigned a “Client Number”). When completed, the numbered bags are placed on “holding shelves” for pickup by the Client.

*Bagging is done monthly on a Tuesday morning and may take up to several hours.*

**If interested in volunteering, please call Linda Roetman at Borough Hall 973-835-4060 x6.**

*Thank you!*
