Superintendent Words - Dr. Betty Ann Wyks

Riverdale School proudly announces that
memberships to the James F. Dodd
chapter of the National Junior Honor
Society have been offered to Richa
Patel, Alyssa Alheid, Katie Cocilovo,
Jackie Dubrovich, David Zaoboda,
Kim Guis and David Kearney. The
induction ceremony for these newest members will
take place in early April. Selection to the group is
based upon scholarship, leadership, service,
citizenship and character. We congratulate these
youngsters on their achievements.

School staff participated in two days of in-service
instruction recently. Instructional areas addressed
included: social decision making, language arts
instruction, hands-on math training and sensory
integration training. Staff members also received
training on the use of the district's two new
Smartboards, procured through federal grant
opportunities. Members of the middle school team
met with Superintendent Wyks and principal Wilton
to discuss possible improvements to the middle level
program. The district's next in-service education
program is March 8 and will focus on language arts
instruction, Pre K-8.

Be on the watch for information related to the new
district morning drop off procedure which will go
into effect in late March, 2006. A result from input
from parents, community members, staff and local
authorities, this plan seeks to promote safety for our
student population.

Medicare Prescription Drug Plan

Medicare participants will have access to
prescription drug coverage under the new Medicare Part D,
which started on January 1, 2006. Medicare recipients
have received the Medicare and You handbook that
explains the drug plans available in Morris County area.
Seniors who currently have prescription coverage should
check with their insurer to see if the coverage is equivalent
to the new Medicare coverage. If not, you will need to enroll in the new
Medicare program to be sure your prescription costs are covered.

You can sign up for the new plan by going to the www.Medicare.gov
website (Free Internet available at Library) or by calling 1-800-MEDICARE.
Enrollment is underway and continues until May 15, 2006. Residents can get
additional information by contacting the Morris County Office on Aging at
1-800-564-4656 or SHIP (State Health Insurance Program) at 973-989-5773.

Be Safe - Not a Statistic

Residents who are pedestrians, dog walkers,
bicycle riders, etc. should wear bright colors or
reflective clothing at night.

Mis-diagnosed Heart Disease in Women

Did you know that one in four women have cardiovascular disease? This
claims more lives than all forms of cancer combined. More women die from
heart disease than men each year. Women are six times more likely than
men to be mistakenly sent home from emergency rooms.

Women often do not have the classic male signs of cardiac compromise:
severe chest pains. Many women tend to have symptoms such as nausea,
shortness of breath, indigestion and fatigue, not knowing that they are
experiencing a heart attack.

Women often take longer to seek emergency care. If a doctor misses the
symptoms, they are slow to take action, and this delays emergency surgery
to reopen clogged blood vessels and restore blood flow to the heart.

Please recognize the symptoms. If
you are experiencing shortness of
breath, fatigue, nausea, pressure in
your chest, or gastric pain, seek
emergency care. Most women have
symptoms prior to their heart attack.
