The Board of Education has found a new business administrator/board secretary.

At its Nov. 4 meeting, the board voted to hire Michael Donow to replace Estrella Molinet, who left after less than a year in Riverdale to work in another district.

Donow will fill the role as an interim business administrator. His current contract is from Nov. 8 through June 30.

By law districts can use an interim business administrator for up to two years.

School Superintendent Vicki Pede said it will be up to the board to decide if it will advertise again to find new candidates or extend Donow's contract.

Pede said the administration advertised for both full-time and interim candidates, and Donow was selected because he was the best candidate.

Donow will work part time earning \$85 an hour. He will work about 25 hours over three days per week. His hours could increase when the district's annual budget is being formulated, Pede said.
