

## Riverdale School seeks new administrator

OCTOBER 11, 2015 LAST UPDATED: MONDAY, OCTOBER 12, 2015, 12:16 AM  
SUBURBAN TRENDS

### **Business administrator search moving forward**

The Board of Education is making some headway in replacing Business Administrator/Board Secretary Estrella Molinet.

In an interview with Suburban Trends, School Superintendent Vicki Pede said she has received 13 applications from candidates interested in filling the position.

Molinet began working for the district last February and announced her resignation last month.

She will be going to the Warren Hills Regional School District to work in the same position starting Nov. 9.

Pede said she has been interviewing candidates interested in filling the position both permanently and for an interim term.

More administrative exits are coming for the district. At its Sept. 7 meeting, the board approved the resignation of a part-time aide, and Pede said she was told another professional will be submitting a resignation soon.
