

The Annual Re-Organization Meeting of the Borough of Riverdale Mayor and Council opened on the above date at 7:30 p.m.

READING OF THE CERTIFICATION OF ELECTION:

Municipal Clerk Jalloh read the Certification of the Determination of the November 5, 2020 General Election as follows:

NAME	OFFICE	TERM
Paul M. Carelli	Mayor	4 Years
Stephen W. Revis	Borough Council	3 Years
Paul A. Purcell	Borough Council	3 Years

OATHS OF OFFICE/COMMENTS:

The Oath of Office was administered to Mayor Carelli and the Borough Council Members by Senator Kristin Corrado.

Mayor Carelli welcomed the following dignitaries:

Senator Kristin Corrado
 Assemblyman Kevin Rooney
 Assemblyman Chris DePhillips
 Sheriff Jim Gannon
 Morris County Clerk Ann Grossi
 State Committeeman Larry Casha

COUNCILMAN PAUL PURCELL:

Thank you everybody for coming. It's been a really busy last three years and it's amazing that it's gone buy as quickly as it has. I think anybody who's done this before would tell you the first couple months or quarters or maybe the year it takes to get used to everything and understand where you fit and where you can make a difference. Thankfully I had the Mayor and the prior Councilmen here to help guide me along and show me the ropes. I think that we did a lot of good for the town and I'm looking forward to the next three years. This one is a little tough for me because last time I did this three years ago my father, the former Councilman of Wayne, was here to witness that and unfortunately he's no longer with us but is in spirit. Today I have my mother, my brother, my son and my wife and I'd like to thank them for coming and especially my wife and son who put up with me coming in late when I'm at these meetings and doing different functions. Thank you for all the support. It means a lot and I love you guys.

COUNCILMAN STEVE REVIS:

I'd like to thank everyone for coming and our dignitaries as well for supporting us. Also, my wife and family for their undying support as I try to serve the interests of the people of the Borough of Riverdale. Through 29 years on the Board of Education and now having finished six on the Council it's really been an amazing experience. One of the things that always strikes me as I travel about the state and the county is when other people who come down Route 287 and don't know Riverdale, they see Tilcon and Walmart and say "Wow, Riverdale's that town with the quarry and the stores" but they really don't get what a great town Riverdale is. From my experience one of the most exciting and interesting things is to see how many of our policemen and firemen I remember giving their 8th grade graduation

OATHS OF OFFICE/COMMENTS (continued):

certificates in the school and now they continue to serve the town, their families are still in town and it just points out what an amazing place Riverdale is. People love the town, I love the town and I'd like to continue to serve it as long as people will let me. I think this Council and the Mayor are a great body to do what is necessary to keep this town the great town that it is. Thank you for your support.

MAYOR'S ADDRESS 2020:

I'd like to start out today by wishing everyone a very happy and healthy New Year. It's fantastic to see all of you here today as we start the New Year. It's hard to believe I'm starting my second term. It seems like yesterday that I was sworn in as Mayor. I'm eager to start a new term and honored to be surrounded by such a great team of Councilmen. Riverdale has always had stability on the governing body and I'm happy to begin year four with the same team. I would like to take a little time to recap the accomplishments of the Mayor and Council over the last four years.

Our Finance Committee is led by Councilman Dave Desai. We implemented and continue our annual reassessment program. The main objective is to stabilize taxes by keeping property assessments at near or close to 100% ratio as possible. This initiative minimizes the risks of spikes in the borough taxes. The borough's tax levy has risen 2.9% over the last four years with the last three budgets keeping the municipal taxes flat. We went out to bid on two borough properties in 2017. This was an effort to increase revenue to ensure we were getting the best possible deals. Our property on 83 Newark Pompton Turnpike, we increased our monthly lease from \$1,750 to \$5,500 a month. Our leaf compost facility, we were able to re-bid it and get a monthly lease from \$3,375 to \$11,550 per month. These two things alone brought in \$204,000 in additional revenue to offset taxes. As always, we plan to adopt another tax friendly budget in 2020.

Our Public Safety Committee is led by Councilman Steve Revis. I'm happy to say we negotiated and ultimately agreed to a new four year contract with the P.B.A. for years 2019 to 2022. Under the leadership of Chief Smith, the department continued to be one of the best trained, equipped and professional departments around. We thank them for their commitment to Riverdale. Our Fire Department has continued to keep us safe and we congratulate the new officers for 2020. They will be sworn in at our January 22nd meeting and I look forward to working again with Chief Regeling who is here tonight. The Public Safety Committee has been working with the Fire Chief on a recruitment and retention policy. The Council approved a retention ordinance last year that helps provide monetary incentives for members of the department who greatly volunteer their time to keep us safe. The next phase is to reach out to the community to recruit new members.

Our Public Works Committee is led by Council President Vinnie Pellegrini. Through attrition we were able to upgrade positions in the Department of Public Works. We made a conscious decision to hire more seasoned employees and add more expertise in our Public Works Department. We hired Pete Daken and John Banaski to join our team who bring a variety of expertise to the department. Our road improvement program has now completed resurfacing on 15 streets in the last four years with another 10 scheduled for 2020 and 2021. This represents 35% of the 66 municipal streets in town. We will continue this each year with our plan to follow the sewer expansion projects.

With the help of our Beautification Committee led by Michael Carelli, we continue our efforts to expand pride in the community with the continued planting of flowers, trees and decorative landscaping to enhance our properties. A special thanks to our DPW Superintendent Steve Schotanus and his entire team for their efforts throughout the year. Especially during these cold months we know they are

MAYOR'S ADDRESS 2020 (continued):

ready to hit the streets when the snow starts falling. They are really the best around.

Our Public Utilities Committee is led by Councilman Matt Oswald. He revamped our entire field maintenance program for Independence Park. Matt spearheaded a new rental program which has generated over \$20,000 in field rentals in the last four years. We removed our deteriorated basketball court and expanded the soccer fields. We purchased a field groomer and took over the maintenance of the fields by our DPW crew. We opened up one of our fields to the Pompton Lakes High School Lady Cardinals Softball Team. The Pompton Lakes Board of Ed was grateful and the girls just love the field. This year we upgraded the facility with two brand new scoreboards that will be operational by opening day. Matt also spearheaded our annual First Responders 5K Walk and Run that's held on Riverdale Day.

Our Communications Committee is led by Councilman Paul Purcell. We greatly grew our social media presence with regard to Facebook, Twitter and our borough website. Special thanks once again to our Social Media Director Michael Carelli who manages these sites daily. Information is always timely and relevant. We continue to maintain a website full of information. Minutes are published for the last 16 years. Council Booklets, started when I became Mayor, are provided before each Council meeting with all the information available before the Council votes. Our new digital sign has been a great asset to get information out to the residents on a timely basis. It can be changed at a moment's notice from anywhere. We have continued our borough newsletter increasing our communication by allowing borough organizations and departments to advertise and provide information to every resident once a month in the mail. With Krista Osborne, our Recreation Director, and Michael Carelli accompanied by Councilman Paul Purcell we helped organize Riverdale Day, a huge success with food, bands and fireworks and the residents just love it.

Our Personnel Committee is led by Councilman Michael Kheyfets. 2019 was the beginning of a transition year for us in Riverdale. Our long time retired Borough Clerk and my assistant over the last four years, Carol Talerico, passed away in October. Our Chief Financial Officer for over 20 years, Ken Sesholtz, retired at the end of November and our Tax Assessor, Shawn Hopkins, retired at the end of December. Mike and I are currently developing a staffing plan for 2020 that will include adding an employee to the front office. We are currently reviewing all borough policies and procedures. Our borough handbook, last updated in 2015, is currently under review and will be presented later this month. 2020 will be a year of change.

One of our greatest accomplishments over the past four years has been our aggressive sewer expansion project. The first three phases included 164 new connections to the system. Phase 4 has been designed and is awaiting approval from the New Jersey DEP where another 63 homes will be added. The Council adopted revised ordinances to ease the burden of cost by allowing residents to pay for the improvement over time especially without a mandate to connect immediately. After 30 years Riverdale will become a full voting member of the Pequannock River Basis Regional Sewer Authority in 2020. With the assistance of Councilman Desai and Council President Pellegrini we were finally able to convince the authority to change its method of billing to number of connections versus flow. This will result in a savings to Riverdale of over \$100,000.

In summary, we once again have ambitious goals for 2020 but I know we have the right people to get the job done. I want to thank the hard working borough employees who make it happen: Connie Andersen our Finance and Tax Assistant, Linda Forbes our Deputy Clerk, Linda Roetman our Borough Secretary, Zoning Official and Property Maintenance Official, Steve Schotanus our Public Works

MAYOR'S ADDRESS 2020 (continued):

Superintendent, AJ Jalloh our Borough Clerk, Krista Osborne our Recreation Director, Michael Carelli our Social Media Director and all our members of the Police Department, Public Works Department, Fire Department, Municipal Court, Library and especially all the countless volunteers on the Boards in Riverdale. I thank you all. We appreciate your hard work and dedication to Riverdale and I wish you all a happy, healthy and successful New Year.
