OTHER BUSINESS:

Mayor Carelli reported to the Planning Board the discussions that were taking place over the last month or two at the Council meetings regarding Cannabis. Last August before State Laws were approved the town prohibited all 6 classes. There is a Council member that would like this decision to be reconsidered to allow a Class II License, manufacturing. The Mayor extended an invitation to Ron Mondollo, the official legal advisor for Cannabis, to present the pros and cons at a previous Council meeting. If this goes any further, it could come back to the Planning Board at some point for additional discussion.

Our Next meeting June 1st we are going to have Donna present the Draft Re-examination. Then on June 22nd we will have a meeting to adopt the Re-examination.
