Re: Stormwater Ordinance Review – APPROVED for Riverdale Borough.

Dear Mr. Jalloh:

The Morris County Planning Board has reviewed the Riverdale Borough Stormwater Control Ordinance number 2-2021 and has approved the document.

The official 60-day county review agency and approval process was initiated on February 25, 2021 when the Morris County Planning Board received the adopted Municipal Stormwater Ordinance.

Be advised, in Section 146A-2, the County Review Agency definition references the County Board of Chosen Freeholders. Since January 1, 2021, the board is referred to as the Board of County Commissioners. We recommend the ordinance be amended to reflect this change. Additionally, we recommend the removal of references to CAFRA (Centers, cores, or nodes; planning map, etc.).

As per N.J.A.C.7:8-4.4(d) the approved document takes effect immediately. In addition, as per N.J.A.C.7:8-4.4(e) you have 30 days from the date of this letter to:

- Place the adopted ordinance on your municipal website
- Notify the following agencies about the approval of your ordinance:
 - NJDEP
 - Morris County Soil Conservation District
 - State Soil Conservation Committee

Please note that the Morris County Soil Conservation District and State Soil Conservation Committee may also request a copy of your ordinance.

Yours Truly,

Mike DiGiulio
Senior Planner
