

Riverdale Recycling & Solid Waste News 2020

- Cans, bottles, paper and cardboard can be put out together for recycling.
- You can put out all the recycling on every Friday! Please do not include non-recyclable items with this pick-up.
- We recycle #1, #2, #4, #5 and #7 plastic food and beverage containers.
- Plastic bags, plastic toys, etc. are not acceptable for recycling.

Please follow these simple requests:

1. Clean food off recyclables and empty liquids before you recycle them.
2. As little paper as possible should be shredded - only those pieces of paper with confidential information that you don't want others to see. The less shredded paper there is in the recycling stream, the better it is for the recycling process. Because shredded paper is so small, it doesn't get sorted with other paper, and it winds up in the trash at the end of the system.
3. Bottle caps are thrown in the garbage, please remove them before recycling.
4. It is required that shredded paper must be put in clear or light-colored plastic bags, such as grocery bags.
5. The Metal Appliances and Scrap Metal pickups are still the First Friday of Each Month.

If you would like more information on the specific dates and locations of the disposal events, **please contact the MCMUA at (973) 829-8006.**
