

BOROUGH OF RIVERDALE

OFFICE OF THE MAYOR

PAUL M. CARELLI

MAYOR

91 NEWARK POMPTON TURNPIKE
RIVERDALE, N.J. 07457

April 12, 2020

Dear Riverdale Resident,

I want to take this opportunity to wish everyone a Happy Passover and Happy Easter. I hope you all get to enjoy the day as the weather is predicted to be very nice today.

Please remember to support our local businesses and restaurants if you can. We need to stick together to get through this difficult time. I want to thank everyone for doing your part. As I walk around town, I see many residents taking the opportunity to get some exercise by following social distancing protocols.

We cannot thank our healthcare workers, police and fire, first aid, businesses and employees that are staying open to provide essential services. You have my highest regard. We can't thank you enough!!

We will continue to post information on our website and social media platforms as necessary. There is a lot of good information posted. Remember, if you feel that you have any symptoms of this virus; please contact your personal health care provider. Please do not call for Police or First Aid assistance.

As you all know, the Riverdale Borough Hall has been closed the past three weeks, with the employees being available by telephone or e-mail. This will continue until further notice. Essential services, including garbage collection, will continue. Please know the Borough is operating the best we can under the circumstances. Our public works employees are working separately, in separate trucks, and completing essential services only.

The Mayor and Council held our second Zoom video conference meeting on Wednesday, April 8. Our next meeting is scheduled for April 22, 2020. Check the website for the next Zoom meeting and instructions on how to join.

Please refer to the Riverdale Borough web site at www.riverdalenj.gov.com and the Riverdale Facebook page at <https://www.facebook.com/RiverdaleNewJersey/> for updated information.

Please continue to social distance and do your part in our efforts to stop the spread of Coronavirus.

Paul M. Carelli
Mayor
