

# BOROUGH OF RIVERDALE

OFFICE OF THE MAYOR

PAUL M. CARELLI

MAYOR

91 NEWARK POMPTON TURNPIKE  
RIVERDALE, N.J. 07457

April 5, 2020

Dear Riverdale Resident,

As we complete another week of social distancing, our Emergency Management Team, Police and Fire Department, First Aid Squad, and our Health Department along with our state and county officials continue to work on matters related to the COVID-19 Pandemic. The County of Morris continues to schedule conference calls with all the Mayors and County Officials to give updates. We will post all new important information as we receive it.

As of this weekend, the Borough of Riverdale has 9 confirmed cases that tested positive for Coronavirus. Please know that the numbers change frequently and are getting harder to obtain with accuracy. As always under HIPAA Regulations, names and addresses of those infected are private.

Please continue to be vigilant in your efforts to prevent the spread of this disease. We must work together to flatten the curve. Work from home if at all possible, maintain social distance and wash your hands frequently. For parents of young teenagers, it is important that you urge them to maintain social distancing. We need everyone to adhere to the guidelines.

We will continue to post information on our website and social media platforms as necessary. There is a lot of good information posted. Remember, if you feel that you have any symptoms of this virus; please contact your personal health care provider. Please do not call for Police or First Aid assistance.

Riverdale Borough Hall has been closed to the public the past two weeks, with the employees being available by telephone or e-mail. This will continue until further notice. Essential services, including garbage collection, will continue. The Mayor and Council will hold our second video conference meeting on Wednesday, April 8. Our first meeting worked out well and we had some residents join the meeting as well. Check the website for the next Zoom meeting and instructions on how to join.

Please refer to the Riverdale Borough web site at [www.riverdalenj.gov.com](http://www.riverdalenj.gov.com) and the Riverdale Facebook page at <https://www.facebook.com/RiverdaleNewJersey/> for updated information.

We encourage everyone to continue to be diligent in your efforts to help stop the spread of Coronavirus.
